

TEL Values

Tokyo Electron Limited (TEL) summarized the values and codes of conduct of the Tokyo Electron Group as TEL Values in April 2006. We will share these values with all employees of the Group around the world, which will drive us towards new growth in the future.

TEL Values

Pride

We take pride in providing high-value products and services.

- We offer our customers cutting-edge technological products, along with the highest level of quality and technical service, in the pursuit of total customer satisfaction.
- We consider profit to be an important measure of value in our products and services.

TEL Values

Challenge

We accept the challenge of going beyond what others are doing in pursuing our goal of becoming number one globally.

- We view changes as opportunities, and respond to them flexibly and positively.
- We are tolerant of failure, and consider it important to learn from the process and results.

TEL Values

Ownership

We will keep ownership in mind as we think things through, and engage in thorough implementation in order to achieve our goals.

- We always have an awareness of problems, and tackle challenges with enthusiasm and a sense of responsibility.
- We make decisions quickly, and do what we consider to be the best course of action.

TEL Values

Teamwork

We respect each other's individuality and we place a high priority on teamwork.

- We create a workplace with an open atmosphere and positive communication.
- We establish relationships of trust with our business partners in order to facilitate mutual growth.

TEL Values

Awareness

We must have awareness and accept responsibility for our behavior as respectful members of society.

- We strictly comply with laws and regulations and the rules of society.
- We give top priority to safety, health, and the global environment.
- We strive to become a company that local communities hold in high esteem.
